

City of Corpus Christi Reentry Plan

Proof of Residency

Tier 4 operators and residents should be prepared to provide appropriate agency credentials and/or proof of residency as appropriate.

Proper identification for resident access should include one or more of the following:

- current state issued driver's license or identification card
- utility bill
- mortgage deed
- property tax documents
- or any governmental document which includes an address or other means that identifies the location of their property.

The City of Port Aransas has issued city identification cards to their citizens and essential personnel. Other jurisdictions may add similar requirements and will be added to this plan as made available.
