- Upon hiring, an applicant must reside in a location as to be able to reach City Hall within 60 minutes by travel.
- All applicants shall meet the City requirements regarding traffic violations or traffic collisions.
- All applicants must score a minimum of 70% or higher on the written examination.
- Applicants must not have been convicted of an offense above a class B misdemeanor. Has never been on court ordered community supervision or probation for any criminal offense above a class B misdemeanor, or a class B misdemeanor within the last 5 years of the court order.
- Must not have ever been convicted of any family violence offense; must not have ever been convicted of a felony offense.
- Applicant is medically, physically, and psychologically fit to perform the essential duties of a Firefighter.
- Applicant must not have been discharged from any military service under less than honorable conditions.
- Applicants must demonstrate maturity, dependability, integrity, good work ethic, and loyalty to their past and present employers.
- Applicants must successfully complete entry requirements, including a written examination, a physical fitness examination, a panel interview, a background check, a medical/psychological examination, possible polygraph, and drug testing.

- Successful candidates will complete the Fire Academy and obtain Basic Structural Firefighter Certification from the Texas Commission of Fire Protection and Paramedic certification from the Texas Department of State Health Services. Successful candidates who have Basic Structural Firefighter and Paramedic Certification from the Texas Department of State Health Services may be fast tracked but must still attend an academy specifically designed for candidates who are already certified. All candidates must successfully complete the CCFD physical fitness program.

CERTIFICATION REQUIREMENTS:

- Firefighters are required to maintain Paramedic Certification as a condition of employment.
- All candidates for employment in the Fire Department must obtain paramedic certification as issued by the Texas Department of Health within twenty - eight (28) months from the date of employment.
- A Firefighter who voluntarily resigns from the Fire Department for any reason other than exercising an option in lieu of imminent termination within the period beginning with their date of hire through two (2) years after their probationary period ends may be required to reimburse the City for monies expended for training and certification up to an approximate maximum of \$8,500.

Anyone who needs to request a reasonable accommodation related to the application process may call Human Resources at 826-3300.

Eligibility list will be effective for 365 days from the date of the written examination.
