

Sharing the warmth with everyone.

About the Program:

During the colder months, we understand that some customers may have difficulty paying their natural gas utility bills. If you or someone you know is experiencing financial hardship, Corpus Christi Gas (CCGAS) is here to help.

The Operation Heat Help program offers financial assistance to qualifying customers by covering up to \$100 for the gas portion of the utility bill from November 2024 through February 2025.

Applications will be accepted from December 6, 2024, through February 28, 2025, and are available online at www.cctexas.com/OperationHeatHelp.

Income Guidelines:

Household Size	Monthly Household Income
1	\$2,005.00
2	\$2,712.00
3	\$3,419.00
4	\$4,125.00
5	\$4,832.00

In order to qualify for help in paying your natural gas bill, applicants must meet income guidelines. Additionally, the applicant must be the utility account holder.
